## Experience

### • Web - Devolpment Intern

#### OctaNet Services Pvt Ltd

This project helped me push my creative and technical boundaries, blending functionality with design aesthetics to create a visually appealing and user-friendly experience. It also gave me practical experience in optimizing web performance and building intuitive UI/UX layouts in OctaNet Services Pvt Ltd.

### • Python - Devolper Intern

#### OctaNet Services Pvt Ltd

This project sharpened my understanding of Python fundamentals like file handling, functions, loops, conditionals, and object-oriented programming (OOP). It also helped me build real-world logic for secure, user-friendly banking operations.

### • Graphic - Design (UI and UX) Intern

#### CodSoft IT Services and IT Consulting

I have successfully completed four solo UI/UX projects, including a responsive restaurant menu interface , Email poster , Online E- Commerce . These projects emphasized intuitive navigation, mobile-first design, and clean aesthetics, enhancing my skills in creating user-friendly digital experiences in CodSoft
